RICH IN BASIC RESOURCES

It is a known fact that Manitoba is rich in basic resources—resources which form a solid foundation for continued industrial expansion.

With such vast natural wealth from which to build, plus an abundance of cheap hydro-electric power and favorable labour conditions, Manitoba's diversified industries, Agriculture, Fisheries, Forestry, Mining, Fur and Travel, are destined to develop soundly and rapidly.

Á heimsþingi safnast menn saman
og sitja þar umhverfis borð. —
Ef minst er á stríðlausa stefnu,
þeir stöðva hvert hálf talað orð.

Og samt átti samkunda þessi
að semja og líftryggja frið;
og hermanna hópana alla
að hefja' upp í starfandi lið.

Það dygð er að standa gegn stríðum,
því stríð eru skipulögð morð: —
Og feldu það fulltrúum þínum
að finna þeim hugsunum orð.

Ef einhverjum framhleypti finst það;
um forustu heimildir spyr,
þá sýndu honum söguna þína;
þar sést: Þú varst leiðandi fyr.

Með þingbundna þjóðstjórn í framkvæmd,
sem þektist ei neinstaðar fyr,
þú sigldir á undan þeim öllum: —
Nú enginn um heimildir spyr.

Og nú áttu nýfenginn sigur: —
mót nágranna þínum: með sátt
þú vanst hann — í vopnlausu stríði,
og vegur þinn stendur því hátt.

Já, feldu það fulltrúum þínum,
að flytja með andlegri glóð
þá tillögu' að margfalda mótið:
Svo mæti hver einasta þjóð.

Og skora með einurð á allan
þann aljarðar fulltrúa lýð: —
Með bróðurhug, ástúð og eining
að útlægja morðvopn og stríð.

Ef felurðu fulltrúum þínum
með fullkominn tillögurétt,
að flytja það mál allra mála,
þér mark hefir framtíðin sett.

Því aldrei á því líku þingi
var þess konar málefni flutt. — —
Þó ógrynni atkvæða neiti,
af einhverjum verður það stutt.

II.

Þeim fækkar í landnema flokksnum
— í förina draumbróðir slæst. —
Þeir hverfa nú hver eftir annan: —
og hver ætli kveðji' okkur næst?

Það vitum við ekki. — En Ísland —
hvers einasta frónborins manns,
um leið og hann lífinu skilar,
er ljósið í dramunum hans.

Hann sér það um leið og hann sofnar:
hann sér það er endurfætt:
Það brosir í vorsólar bjarma:
er blómum og skógi klætt.

Og fossinn, hann syngur sem fyrri
með fagra og sterka raust.
Nú **vinnur** hann samtímis söngnum,
og sinnir því hvíldarlaust.

Hann dreifir nú blessun og birtu
um bústað hvers einasta manns.
Og horfið er stritið og stríðið —
það stöðvaði krafturinn hans.

Og mýrlendið alt breytt í engi,
í akur hvert móabarð,
og hrísið í hreina skóga
og hraunið í aldingarð.

III.

Það **fjölgar** í **væringja** flokknnum,
hann flýgur um gjörvalla jörð. —
Samt man hann þig, Fjallkonan fagra:
Um frægð þína heldur 'hann vörð.

Hann rís upp í heilagri reiði,
ef rógburðar sár er þér veitt.
Hann tignar þig mann fram af manni,
þó málið hans kannske sé breytt.

Þó væringjar dreifi sér víða,
þá verður ei frummyndin gleymd
úr sígildu sögunni þinni
í sál hans — en þar er hún geymd.

Og **landneminn** klökknandi kveður —
hans kynslóð er ærlega þreytt.
En **væringinn** hugrakkur heilsar:
því honum er framtíðin veitt.

On this, the Commission's Thirtieth year of service to

Minni íslenzkra landnema í Vesturheimi

Komu þau að austan yfir hafið breiða,
öll til þess að finna lofgerðanna heim:
Lifa hér í nægtum, verzla, búa, veiða,
vissu ekki' af neinu sem hamlað gæti þeim.

Þegar vonir brugðust og tækifærin týndust,
tímanleg við gæði fóru þau á mis:
Döpur oft í fátækt og drepsóttum þau pínust,
dauðinn að þeim sótti með þjáningar og slys.

En þetta voru hetjur sem hræddust ekki þrautir;
heldur en að flýja undan hverri neyð
fóru þau að reyna' að ryðja nýar brautir,
ráðum með og dáðum að finna gæfuleið.

Lærðu þau í æsku verkin sín að vanda,
vissu það að drenglund merkir hærra stig,
sáu það var leið til sigurs hverjum anda
sem að hafði löngun til að þroska sig.

Kunnu þau með "lögum" landið sitt að "byggja"
liðu ekki' að menning félli hér við strit,
vissu það að ólán yfir myndi skyggja
ef ei settu reglur þekkingin og vit.

Yndi þeim og styrkur, vegaljós og vörnin,
vonagjafi þeirra margan strangan dag:
Var hin mikla framsókn, vinna fyrir börnin,
vilji til að búa framtíð þeim í hag.

Nú er bjargið hafið verkatákn í varða:
Vegurinn er sléttur, ferðin orðin greið,
landnemanna búin baráttan 'in harða,
burtu horfin flest af þeim sem ruddu leið.

Minning um þau kæra má þó hugur geyma
Málið fær ei lýst þeim, röddin verður klökk —
sigri þeirra' og fórnum sízt er þörf að gleyma,

Ode to Canada

When the ocean-roaming Vikings sailed their dragon-headed ships
In piracy and conquest, to the very nether tips
Of the universe as it was known in that primeval day,
Leif Eriksson found Canada—because he lost his way.
Whatever that event may say for Leifur's navigation,
It was the first link in a chain of western exploration.

But Leif's ill-fated followers were destined not to stay,
For bands of savage Indians soon drove them all away.
The continent they left behind became forgotten soil
And only in the sagas was the record of their toil,
Till, centuries thereafter, from the distant coast of Spain
Came Christopher Columbus to discover it again.

The centuries that followed brought adventurers to comb
The wilds of new horizons and make Canada their home.
Now the wealth of her resources offers timber, furs and ores
And fish from both her inland lakes and rugged coastal shores;
Throughout her central provinces a vast and level plain
Lies, shimmering each summer with its yield of yellow grain.

She soon became a haven for the old world's refugees,
For Britons, Frenchmen, Nordics, Russians, Poles and Portuguese.
They brought their ancient cultures and their separate traits and
creeds

And, intermingling, blended them in common hopes and deeds
As each unto the other lent a willing, helping hand
In the universal purpose of a democratic land.

There's a vision of Utopia before the dreamers' eyes
Where the universe is moulded to an earthly paradise;
Where the thunder of the cannon has been stilled forevermore
And humanity has banished the insanities of war;
Where all nations stand together under one vast flag unfurled . . .
Utopia is Canada, the union of the world.

Here at the Bay, we consider the GOODWILL of our customers our most valued possession . . . priceless beyond compare.

We have been in business a long, long time and have learned from experience that fair dealing and courteous service pay rich dividends in GOODWILL.

We aim to keep your valued GOODWILL and confidence by rigid adherence to our guiding principle . . .
